Lion Zone Chairman

Dear Lion Zone Chairman:

The Allen H. Stewart Camp Board of Directors met on January 22, 2011 in Casper to discuss the 2011 camping season plans. An emphasis has been placed on getting the Couples'/Nurses' quarters building finished during this season. This project is being done in anticipation of starting an adult camp for the visually impaired in the future as was done for many years until the Wyoming Department of Education and Montgomery Trust Fund cut the funding for the program. This facility will be used for couples attending the Camp, as well as a place for the nurses to have a permanent place for caring for the visually impaired summer school students. In this regard, Lion Chairman PDG Al Parmely proposed an "Adopt-a-Room" fund raiser and the Board would like you to try to get the clubs in your zone involved in the process.

The estimated costs to complete the Couples'/Nurses' building is \$35,000. There are 10 individual rooms in the building, meaning that the average cost per room is going to be \$3,500. It is anticipated that the clubs or individual Lions, through their club, in your Zone would pledge to donate the cost of one room. In return, the Club name(s) would be placed in a very visible fashion outside the room letting everyone know who paid for the construction of the room! A pledge has already been received for one of the rooms – so that means only nine rooms remain!

Won't you please organize a Zone Meeting in your area to let the Clubs know about this exciting endeavor to assist the Allen H. Stewart Lions Camp in getting this project finalized! If you have any questions please contact Chairman Al, 307-262-2321 or a-lion@myvcn.com, or any member of the Camp Board. A picture of the Couples'/Nurses' quarters is attached.

Yours in Lionism,

Allen H. Stewart Lions Camp Board of Directors
